Tends to be bossy, especially to Denzil, but is a good person

Sioned Rees

Definitely spoiled but has a good side too
She is currently serving 4 months in juvenile detention
She was driving without a license after a drink and caused a serious car accident. It was the night of Kevin's stag do and she hit the van with Kev and the boys. Hywel seemed to be the most seriously injured but it was Kevin who collapsed on the way to the alter.

Meic, Anita and (especially) Sheryl blamed Sioned but Kevin forgave her. He was scheduled to speak at her court date but had a stroke. The judge decided to make an example of Sioned.

She has had some problems in detention but is coping very well. She should come out of it a strong young lady.
